Here at the City of Las Vegas Animal Control our concerns are animal safety, welfare, and community awareness. Placing our animals in good homes is our highest priority.

A great way to keep our adoption rate growing, and our animals placed in good homes, is to keep the public informed. LVAC volunteers help us to teach the public about being a responsible pet owner, and the advantages of adopting from a shelter.

Our volunteers help us educate the public about pertinent issues such as spay/ neuter.

"Volunteering for animal services is a rewarding experience." LVAC staff and the volunteers feel that their time at our facility really **MAKES A DIFFERENCE!!**

Without the help of our volunteers we cannot succeed our goals.

Come and learn what the City of Las Vegas future Humane Society does.

## **FOSTER A FUTURE**

Open your home to one of our animals in need. With your love and care comes back a better adoptee.-- Must have orientation.

## ***VOLUNTEER OPPORTUNITIES***

-- **Greeters:** Welcome visitors to our facility and guide them in search for a new best friend. - Must have orientation.

-- **Dog Walking:** Get a little exercise by taking potential pets for walks at our dog park.

-- **Kennel Worker:** Help keep the facility clean by grabbing a shovel and hose.

-- **Events:** We can always use your willing hands for our fundraisers.

-- **Lost & Found:** Assist pet owners in locating lost pets.

-- Help socialize the puppies and kittens.
